THIS AGREEMENT made and entered into as of the 1st day of January, 2013, between the BOROUGH OF GARWOOD, a Municipal Corporation of the State of New Jersey, hereinafter referred to as the "BOROUGH" or "EMPLOYER", and LOCAL 11, affiliated with the INTERNATIONAL BROTHERHOOD OF TEAMSTERS, a labor organization, located at 810 Belmont Avenue, North Haledon, New Jersey, hereinafter referred to as the "UNION".

WITNESSETH:

WHEREAS, the Union has presented proof that it represents the Borough of Garwood Department of Public Works employees, excluding supervisory, office, clerical and seasonal employees; and

WHEREAS, the Borough, by virtue thereof, has recognized the said Union as the sole and exclusive bargaining agent for all the Borough of Garwood Department of Public Works employees, excluding supervisory, office, clerical and seasonal employees of the Borough of Garwood, New Jersey.

NOW, THEREFORE, it is mutually agreed between the parties hereto that the following agreement shall become effective.

ARTICLE 1. RECOGNITION

Section 1. The Borough hereby recognizes the Union as the sole and exclusive bargaining agent for all employees now employed or to be employed by the Borough of Garwood Department of Public Works, excluding supervisory, office, clerical and seasonal employees of the Borough in all those matters specifically provided for herein pertaining to wages, hours, and conditions of employment.

Section 2(a). The bargaining unit shall consist of all Borough of Garwood Department of Public Works employees, excluding supervisory, office, clerical and seasonal employees of the Borough of Garwood, New Jersey.

Section 2(b). Seasonal employees shall be defined as individuals hired for a specific period of time not to exceed one hundred and twenty (120) days in a calendar year.

Section 3. Wherever used herein the term "Employees" shall mean and be construed only as referring to the Borough of Garwood Department of Public Works employees covered by this agreement.

ARTICLE 2. MANAGEMENT RIGHTS AND RESPONSIBILITIES

Section 1. The Employer hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement or which may hereafter be conferred upon and vested in it by

the Laws and Constitution of the State of New Jersey and of the United States of America, including, but without limiting the generality of the foregoing, the following rights:

(a) To the management and administrative control of the operation of the Department of Public Works and its properties and facilities and the activities of its employees;

(b) To hire all employees and to determine their qualifications and conditions for continued employment or assignment; and to promote and transfer employees;

(c) To suspend, demote, discharge, or take other disciplinary action for good and just cause;

(d) To determine the methods, means, and personnel by which Department operations are conducted;

(e) To determine the content of job qualifications and duties;

(f) To take all necessary actions to carry out its responsibilities in the conduct of regular business and emergencies.

Section 2. The exercise and application of the foregoing powers, rights, authority, duties or responsibilities of the Department, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the terms of this agreement and then only to the extent such terms hereof are in conformance with the Constitution and Laws of New Jersey and of the United States of America.

ARTICLE 3. UNION SECURITY

Section 1. The Employer agrees it will give effect to the following form of Union Security:

(a) All present full-time employees who are members of the Local Union on the effective date of this Agreement can remain members of the Local Union in good standing by payment of the regular monthly dues. All present full time employees who are not members of the Local Union will pay a Representation Fee as set forth hereafter.

(b) It is agreed that at the time of hire, newly hired employees, who fall within the bargaining unit, will be informed that they have the chance to join the Union thirty (30) days thereafter or pay to the Local Union a Representation Fee.

ARTICLE 4. CHECK-OFF OF UNION FEES

Section 1(a). The Employer hereby agrees to deduct from the wages of employees by means of a check-off the dues uniformly required by the labor organization pursuant to the provisions of N.J.S. 52:14- 15.9E. The Employer, after receipt of written authorization from each individual employee, agrees to deduct from the salaries of said employees their monthly dues and initiation fees. Such deductions shall be made from the 2nd salary paid to each employee during the month and such deduction made the 1st month shall be a double deduction and thereafter the regular deduction shall apply to dues owed for the following month.

Section 1(b). In making the deductions and transmittals as above specified, the Employer shall rely upon the most recent communication from the Union as to the amount of monthly dues and proper amount of initiation fee. The total amount deducted shall be paid to the Union within fifteen (15) calendar days after such deduction is made.

Section 2. Representation Fee

(a) If an employee does not become a member of the Union during any membership year (from January 1 to the following December 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a Representation Fee to the Union for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Union as majority representative.

(b) Prior to the beginning of each membership year, the Union will notify the Employer in writing of the amount of the regular membership dues and initiation fees charged by the Union to its own members for that membership year. The Representation Fee to be paid by non-members will be equal to 85% of that amount.

In order to adequately offset the per capita cost of services rendered by the Union as majority representative, the Representation Fee should be equal in amount to the regular membership dues and initiation fees charged by the Union to its own members, and the Representation Fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Union membership year immediately following the effective date of the change.

(c) 1. Once during each membership year covered in whole or in part by this agreement, the Union will submit to the Employer a list of those employees who have not become members of the Union for the then current membership year. The Employer will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the Representation Fee and promptly will transmit the amount so deducted to the Union.

(c) 2. The Employer will deduct the Representation Fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

a. 10 days after receipt of the aforesaid list by the Employer; or

b. 30 days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Employer in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first pay check paid 10 days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

(c) 3. If an employee who is required to pay a Representation Fee terminates his or her employment with the Employer before the Union has received the full amount of the Representation Fee to which it is entitled under this Article, the Employer will deduct the unpaid portion of the fee from the last pay check paid to said employee during the membership year in question.

(c) 4. Except as otherwise provided in this Article, the mechanics for the deduction of Representation Fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

(c) 5. The Union will notify the Employer in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the Representation Fee, and such changes will be reflected in any deductions made more than 10 days after the Employer received said notice.

(c) 6. On or about the last day of each month beginning with the month this agreement becomes effective, the Employer will submit to the Union a list of all employees who began their employment in a bargaining unit position during the preceding 30-day period. The list will include names, job titles, and dates of employment for all such employees. The Employer further agrees to notify the Union in the event dues for an employee cannot be deducted from the designated salary and the reason thereof.

(c) 7. Teamster Local 11 shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34-13A-5.5(c) and 5.6, and membership in Teamster Local 11 shall be available to all employees in the unit on an equal basis at all times. In the event Teamster Local 11 fails to maintain such a system, or if membership is not so available, the Employer shall immediately cease making said deductions.

ARTICLE 5. PROBATIONARY PERIOD

Section 1. All newly hired full time employees covered by this agreement shall serve a probationary period of one (1) year. The probationary period of any such employee may be extended for an additional three (3) months period, at the recommendation of the Superintendent of Public works and with the concurrence of the Union; the Union's permission to so extend the probationary period shall not be unreasonably withheld.

Section 2. During the aforementioned probationary period, the Borough may discharge such employee for any reason whatsoever. Any employee discharged during such probationary period, shall not have recourse to the Grievance Procedure as set forth in this agreement. The Borough shall have no responsibility for the re-employment of newly engaged probationary employees if they are dismissed during the probationary period.

ARTICLE 6. EMPLOYEE RIGHTS AND RESPONSIBILITIES

Section 1. No full-time employee shall make or be required to make any agreement or enter into any understanding inconsistent or conflicting with the terms of this agreement.

Section 2. Employees not included in the bargaining unit with the exception of seasonal employees shall not be permitted to perform the duties of employees in the bargaining unit, except in the following situations:

- (a) In cases of emergency.
- (b) In cases where the job requires specialized labor.
- (c) In cases where employees presently in the bargaining unit lack the necessary qualifications to perform the job.

All determinations to be made under this Section shall be within the sole discretion of the Borough.

Section 3(a). There shall be a foreman classification rate established which shall be paid at the rate as established and determined by the Governing Body. As part of this additional rate, the foreman must be on call 24-7 and carry a pager or other communication device provided by the Borough. The foreman must also be available in the absence of the Superintendent during working and non-working hours.

Section 3(b). Any member of the bargaining unit will substitute by seniority for the foreman after three (3) consecutive days of his absence, with or without the absence of the Superintendent, and immediately with the absence of the foreman and Superintendent together. The member shall receive the same rate as the foreman and must comply with the provisions set forth in Section 3(a). Any employee required to make phone calls in order to notify employees of overtime, which is normally done by

the Superintendent shall receive a minimum of two (2) hours wages, in accordance with this contract.

Section 4. Nothing in this agreement precludes the further extension of benefits to the employees described herein by the Mayor and Council of the Borough of Garwood during the term of this agreement.

ARTICLE 7. HOURS OF WORK AND OVERTIME

Section 1. The normal workweek shall be from Monday to Friday, inclusive, and shall be comprised of five (5) days of eight (8) hours each.

Section 2. Any work performed beyond eight (8) hours in any one day of the normal work week shall be considered overtime and compensated for at one and one-half (1-1/2) times the regular hourly rate of pay.

Section 3. Employees shall be paid at the rate of time and one-half (1-1/2) for the first ten (10) hours worked on Saturday, and double (2X) time for all hours worked thereafter.

Section 4. Employees shall be paid at the rate of double time (2X) for the first ten (10) hours worked on Sunday, and triple time (3X) for all hours worked thereafter.

Section 5. Employees called to work prior to the start of their normal shift shall be paid the overtime rate of any such time worked, provided that the employee completes his regular eight (8) hours for that day.

Section 6. The Borough of Garwood shall notify the employees of any Saturday or Sunday work not later than the end of the shift on Thursday of that week, except for any and/or all emergencies including, but not limited to, flood, snow removal, ice control, sewer jobs, and/or other acts of God not specifically covered in this Section.

Section 7. Overtime shall be distributed as equally as practical among the employees qualified and capable of performing the work available. On each occasion, the opportunity to work overtime shall be offered to employees according to the least number of hours worked overtime. Overtime work offered but refused by an employee shall be considered as overtime worked for the purpose of determining priority under this Section. It is further agreed that full-time employees shall have priority as to offers of overtime in preference to part-time and summer employees. An Overtime list shall be kept by the Shop Steward or his designee in his absence and presented to the Superintendent when changes occur. If changes are not given to the Superintendent, the last overtime list shall be followed. Overtime shall be mandatory for all Public Works employees for any jobs determined by the Borough and Superintendent to be detrimental to the safety and welfare of the public.

Section 8. The working shift shall be as follows:

6:30 A.M. - 3:00 P.M.

Section 9. In the event an employee is called back to work after the conclusion of his normal work shift, the employee will be entitled to a minimum of two (2) hours pay at the overtime rate that is applicable.

Section 10. LUNCH HOUR – Employees shall receive a one-half (1/2) hour lunch period unpaid normally taken between 12:00 p.m. and 12:30 p.m. The Borough reserves the right to adjust the timing of the lunch period where necessary or convenient.

ARTICLE 8. SENIORITY

Section 1. Seniority is defined as all periods of active employment with the Department of Public Works, exclusive of any time spent by an employee on lay-off, during which time there shall be no accrual of seniority.

Section 2. For the purposes of this agreement, seniority shall be determined by the length of continuous and uninterrupted service, computed from the date of last hire.

Section 3. The Borough shall establish and maintain a seniority list of employees. The employee with the most seniority, as defined in the preceding Sections, shall head the list, to be followed by the employee with the next longest tenure, and so forth, until all employees within the Department are so listed.

Section 4. New full time employees except seasonal employees retained beyond the probationary period shall be considered permanent employees and their length of service with the Borough shall begin with the original date of their employment and their names placed on the seniority list as heretofore described. Such seniority list shall be kept up to date with additions and deletions as required.

ARTICLE 9. FORCE ADDITIONS AND REDUCTIONS

Section 1. The Borough agrees that it will not hire any new employees unless all of those presently employed are working the full number of scheduled hours, as defined in Article 7, subject, however, to the following conditions: should the Borough, in its discretion, determine that the employees presently working are unqualified to perform certain jobs, or that the work needed to be done requires specialized labor, then the Borough shall be free to hire persons to perform such work, regardless of the hours worked by those presently employed.

Section 2. Reductions of the work force, shall be made according to the length of service with the Borough. The employee with the least seniority, as defined in Article 8, shall be laid off first, and so on, up the seniority list. Rehiring shall likewise be accomplished; the employee with the most seniority shall be rehired first and so on

down the seniority list.

Section 3. The Shop Steward and the employees involved in such lay-off shall receive seventy-two (72) hours notice prior to any lay-off. The Shop Steward shall have super seniority for the purpose of lay-off only.

ARTICLE 10. NON-DISCRIMINATION

It is agreed that no employee shall be discriminated against because of race, color, creed, religion, nationality, age, or sex. The Borough shall not discriminate against or interfere with any employee because of Union activities. The Union, its members and agents, shall not discriminate against or interfere with any employee covered under this agreement who is not a member of the Union.

ARTICLE 11. HOLIDAYS

Section 1. The Borough agrees to guarantee to all of the employees within the bargaining unit, the following holidays with full pay for eight (8) hours at the employee's regular straight time rate of pay, though no work is performed on such days:

New Year's Day	Veterans Day
President's Day	Thanksgiving Day
Good Friday	Friday after Thanksgiving Day
Memorial Day	One Day before Christmas Day

In addition, employees shall be entitled to two (2) personal days off with pay.

Employee's personal birthday may not be taken before Employee's birthday. If the birthday is in the month of December, the employee may take the birthday in November.

Section 2. Employees who work on any of the above holidays shall be paid double (2X) their regular straight time rate for time worked and shall receive an additional day off with pay or the day's pay.

Section 3. If a holiday falls on a Saturday or Sunday, it may be celebrated and compensated accordingly on the day preceding or the day succeeding such holiday at the discretion of the Mayor and Council.

Section 4. Any employee who works on a holiday, which falls on a Saturday or Sunday, shall be compensated in accordance with Article 7. Under no circumstances shall there be pyramiding of overtime and/or holiday premiums.

Section 5. If a holiday falls within the vacation period of an employee, the employee shall receive pay for same or an additional day of vacation at the option of the Borough.

Section 6. If an employee fails to work the scheduled work day before or after a holiday, he will lose the holiday pay after the third such occurrence within a twelve (12) month period for those holidays listed in Section 1, unless such absence has been approved by the Superintendent of Public Works. In event of the second occurrence, a written warning will be issued.

Section 1. The Borough agrees to grant all employees within the bargaining unit vacations in accordance with the following schedule with pay:

In the calendar year in which the employee becomes eligible for the increased vacation for the first time, the additional vacation can only be taken after the anniversary date of employment.

No vacation time may be taken during the first three months immediately following appointment or employment. Employees hired after October 1 of any year (year one) are eligible to carry over unused vacation days earned in year one to year

two.

Section 2. The Borough agrees that in the event an employee leaves the employ of the Borough for any reason (other than discharge for good cause) before the vacation period, he shall be compensated for any accrued vacation time that may be due him in accordance with the above schedule.

If an employee leaves the employ of the municipality before the end of the calendar year, having already taken the vacation allowance for the year, he or she will be charged with the unearned part of such vacation, which will be deducted from that employee's final paycheck.

Section 3. The vacation schedule shall be drafted by the Borough on or before the first of April of each year and posted on the bulletin board. In preparing the vacation schedule, the Borough shall endeavor to assign vacations on the basis of system-wide seniority of its employees. Employees hired beginning January 1, 1993, shall receive twelve (12) days paid sick leave each year. Sick leave shall be accounted for by calendar year and shall be pro-rated for the initial calendar year of hire based upon the number of full months employed. Sick leave may be accumulated and utilized by the employee as needed in the event of illness.

Section 2. Any unused sick days shall be forfeited by the employee upon termination of his employment except as hereinafter provided. Upon retirement under the Public Employment Retirement System, an employee shall receive retirement pay for unused, accumulated sick leave at fifty percent (50%) pay not to exceed the full sum of \$18,000.00. The Borough shall pay to the estate of a deceased employee an amount

ARTICLE 17. VETERANS RIGHTS AND BENEFITS

Section 1. The seniority rights of all employees who enlist or who are drafted pursuant to an appropriate law now in force, or to be enacted, shall be maintained during such period of military service. Each such employee shall have the right to reinstatement to his former position or to a position of equal status at the salary rate previously received by him at the time of his induction into military service together with all salary increases granted by the Borough to said employee's previous position during the period of such military service.

There shall be no discharge except for just and sufficient cause, except that a newly engaged employee shall be subject to dismissal for any cause whatsoever prior to the expiration of the probationary period. The Union shall be notified of the discharge of any employee at the time of such discharge, which notification shall set forth the reason for the discharge.

ARTICLE 19. GRIEVANCE PROCEDURE AND ARBITRATION

Section 1. The term "Grievance" as used herein means any difference or dispute between the Borough and the Union arising from the interpretation, application, or adherence to the terms and conditions of this Agreement, with the exception of disputes over wage scales. (b): If no satisfactory settlement is reached during the first informal conference, then such grievance shall be reduced to writing and the Shop Steward shall serve same upon the Borough Administrator. Within five (5) business days thereafter, the grievance shall be discussed between the designated representative of the Borough and representative of the Union. STEP 3. In the event the grievance is not satisfactorily settled within twenty (20) business days of the discussion in Step 2, it is agreed that either party may request New Jersey Mediation Service to appoint an arbitrator who shall have full power to hear and determine the dispute, and such determination shall be deemed final and binding.

Section 3. Grievances raised by the Borough shall be subject to the following procedure: such grievances shall be filed directly with the Union within five (5) business days after the event giving rise to the grievance has occurred. A meeting shall be held within ten (10) business days after the filing of such grievance between the representatives of the Department of Public Works and the Union in an earnest effort to adjust the difference between the parties. In the event no such adjustment has been satisfactorily made within twenty (20) business days after such meeting, the Borough may, within ten (10) business days thereafter request New Jersey Mediation Service to appoint an arbitrator who shall have full power to hear and determine the dispute, and such determination shall be deemed final and binding.

Section 4. When any grievance shall be subject to arbitration under the foregoing provisions, the cost of such arbitration shall be shared equally by the Borough and the Union. Any other expenses, including, but not limited to witnesses, shall be borne by the individual party incurring same.

Section 5. Any arbitrator appointed pursuant to this Section shall have no authority to change, modify, alter, substitute, add to or subtract from the provisions of this agreement. No dispute arising out of any question pertaining to the renewal of this agreement shall be subject to the arbitration provision of this agreement.
